LISTING OF INSTITUTIONS OFFERING MINING ENGINEERING DEGREES AND THEIR WEB SITES

Note: This listing includes all universities which have been found to claim to offer mining Engineering on their websites, whether or not they actually do still offer such courses. In some cases they were identified in the past as offering mining and that discipline can no longer be found on their web sites – such universities have been marked as no longer teaching mining, but still are included.

**LISTING OF UNIVERSITIES OFFERING EDUCATION AT LEAST TO BACHELOR'S
LEVEL IN**

MINING ENGINEERING

1. Afghanistan

1. Kabul Polytechnic Institute (this web address is not direct, but does give information about the institute including the fact that it teaches mining, and it is definitely still operating)
